Don Santa-Emma Retires - Named Director Emeritus

Donald F. Santa-Emma, Director of the All-Ohio State Fair Band, announced his retirement last fall after serving on the staff for 42 years with the last 17 years as director.

Unbeknownst to fairgoers and supporters, he quietly took his final bow as director at the conclusion of the 2015 Ohio State Fair. During his tenure, he compassionately worked with thousands of Ohio's finest high school musicians, allowing them to showcase their talents at thousands of concerts. His leadership, wisdom and diplomacy provided stability over the years, guiding the AOSFB and leaving a lasting mark on the Ohio State Fair.

"It is with great sadness that I accept Mr. Santa-Emma's announcement," explained General Manager Virgil Strickler. "Don has shown such an immense amount of passion toward the All-Ohio State Fair Band, empowering each and every one of its youth members with an outstanding musical education, a positive Fair experience and a devoted sense of community spirit. While I am saddened to see him go, I am proud of the legacy of excellence that Don has left behind."

The Ohio State Fair Hall of Fame member joined the staff in 1974 when he received a frantic phone call from the director, Omar Blackman. He urged the hesitant Santa-Emma to join the band staff as an assistant director as a vacancy needed to be filled immediately. Through the years he has been a steady force as a leader within the organization. Whether serving in his previous roles as Assistant & Director, Administrative Assistant, or Director, his foremost focus was on the band members. He desired a high quality music experience for the members while working to create a welcoming and professional environment in which the members would grow as citizens of Ohio. Mr. Santa-Emma knew the AOSFB provided the right arena for high school students to grow and develop and he did all that he could do to set the stage so members could maximize the opportunity and experience.

Incoming Director, Brian W. Dodd, named Mr. Santa-Emma as Director Emeritus of the AOSFB. As a result, he will be with the Band on several occasions this summer and continues to provide his expertise during this transition period.

He deserves the utmost respect for his leadership and contributions to the All-Ohio State Fair Band and Music Education. Without a doubt, Mr. Santa-Emma led the AOSFB in the spirit of previous directors - Jack Wainwright, Louis Pete, Jack Evans and Omar Blackman, as he carried forward many traditions in respect of the organization's deep history.

Thank you Mr. Santa-Emma.....Take a bow!!

Brian Dodd Named Director of the AOSFB

Ohio State Fair officials announced in November that Brian W. Dodd of Bladensburg in Knox County has been named as director of the All-Ohio State Fair Band.

As director, Dodd has a variety of responsibilities throughout the year as well as during the Fair. He will recruit, prepare and manage a talented ensemble of more than 200 high school musicians selected to represent Ohio's diverse population in the famed All-Ohio State Fair Band.

Dodd is entering his 10th year as an AOSFB staff member and first as director. He is a graduate of Philo High School in Muskingum County and The Ohio State University. He holds an Honorary Chapter FFA Degree and received the Honor to Educator Award from West Holmes Schools six times. Mr. Dodd is a recipient of the Ohio High School Athletic Association Sportsmanship, Ethics and Integrity Award and was two time Teacher of the Year for the East Knox Schools. Previously, he was a member of the Adjunct Music Faculty at Mount Vernon Nazarene University and spent 14 years as Director of Music at East Knox High School.

"I am really honored and excited for this opportunity to continue serving the All-Ohio State Fair Band as Director," an enthusiastic Dodd explained. "I look forward to building on the traditions established by Mr. Santa-Emma and the other fine directors that came before me. I am excited to work with the students from fine music programs from across our wonderful state as they continue to grow; both as musicians and positive leaders. It is with excitement that I accept this role as I eagerly look forward to the band's performances at the 2016 Ohio State Fair."

Dodd is in his 31st year as a high school band director and educator, and is in his 17th year as director of bands at West Holmes High School in Millersburg where he currently directs 235 students in the school's two concert bands, jazz band, pep band, marching band and percussion ensemble. His bands have performed throughout Ohio, Pennsylvania, Washington, D.C. and Florida, and regularly perform for the NBA Champion Cleveland Cavaliers. He has had students participate in the AOSFB & AOSFYC for the past 31 years.

Dodd is a member of Ohio Music Education Association and served as district chairman and host of OMEA District 10 Large Group Adjudicated Event. He remains active as a performer in the North Central Ohio area and is a member of American Federation of Musicians Local #159. He and his wife Lori currently reside in Bladensburg.
